

Request Professional Development & Coaching for Academic Interventions

Overview:

Elev8 Baltimore, Inc. (Elev8) is a non-profit organization in Baltimore City that has been in existence for 13 years. As a part of our Extended Learning offerings, we provide small group tutoring in partnership with Baltimore City Public Schools (City Schools). Tutoring is provided by our team of Learning Coaches and is overseen by an Extended Learning Coordinator. As an organization we believe in offering academic enrichment and opportunities that support positive youth development as well as academic success. We are seeking a team of consultants that have demonstrated experience leading instruction in an urban setting to support the delivery of the City Schools approved curricula (*Zearn, Imagine Math, and iReady*) for elementary through middle school students. Consultants should submit a draft training agenda for the identified curriculum, identify the maximum number of participants per session, if sessions are in-person/virtual/hybrid, proposals should indicate if the submission is for multiple sessions or single session, and if you have any experience developing and/or leading professional development sessions.

Elev8 will be selecting multiple consultants to lead sessions aligned with the needs of the Extended Learning Team.

Elev8 Mission: Elev8 partners with schools, families, and the community to ensure that every student is prepared for high school, college, career, and life.

Elev8 Liberation and Equity Statement: Elev8 works to create liberating opportunities for youth and communities that have been oppressed by systematic racism, gender, gender expression, and sexual orientation. We build committed partnerships with communities and organizations to provide training and tools for children, youth, and families to advocate for themselves and bring equity to their communities.
