About

Elev8 Baltimore is a local non-profit that partners with schools, families, and the community to ensure that every student is prepared for high school, college, career, and life. As a full-service community school organization, we coordinate services and provide opportunities that create the conditions for student success.

Commitment to Liberation and Equity

Elev8 Baltimore works to create liberating opportunities for youth and communities that have been oppressed by systematic racism, gender inequality, sexual orientation, and gender expression. We build committed partnerships with communities and organizations to provide opportunities and tools for children, youth, and families to advocate for themselves and bring equity to their communities.
